## PRESS RELEASE

[English translation of the Amharic original]

***"A National Road Map  
for a Democratic Transitional Government",***  
presented to the Ethiopian people by the E.C.D.U.

Voted by the Provisional Executive Council of the E.C.D.U.  
on the 26th of September 2022 AD, and  
made public on the 29th of April 2023 AD.

London, 29th April 2023.

The document entitled :

***"National Road Map for a Democratic Transitional Government"***

is presented by the E.C.D.U. to the entire Ethiopian people, with the aim of freeing Ethiopia from the harmful grips of the current unlawful F.D.R.E. régime, and transitioning her towards a democratic State of Right.

As much as this is the first version of the document, subsequent updated versions, reflecting the changing situation on the ground, will be released for the purposes of national dialogue and implementation.

The document is available for download from E.C.D.U.'s official web-site:

[www.slттunhzb.net](http://www.slттunhzb.net)

We respectfully request the cooperation of all in making sure that this document reaches each and every urban and rural area, each and every parish and ward across the whole of Ethiopia, so that the entire population debate over it and come to a salutary consensus ❖
